

## Ward d'Houet Education Board

### Board Member Profile: E. Jacqueline McGilp IBVM

TPTC BA BEd DipArtsEdAdmin GradDipBus&Admin MEd PhD FACE

Jacqueline is a Loreto sister. She works as a consultant in education, leadership and project management. She has a lifetime experience in education, having taught in the primary, secondary and tertiary education, recently completing ten years as a senior academic in the university sector. She has held three principalships.

In the past five years her expertise has been utilised in China, Hong Kong, Thailand, USA, New Zealand, Mauritius, Britain, and South Africa. She has received many awards for education and research, including a British Travelling Scholarship, a national Excellence in Teaching Award and the Centenary Medal. Jacqueline has completed work for the federal and state governments, educational and health organisations, community groups and the corporate business sector.

Jacqueline serves on several boards - state, national and international - as chairperson and/or as a director. She has a specific interest in addressing policies and structures relating to disadvantage. Her other interests are lifelong learning, community involvement, primary health care, gardening and music.
